Claire:

Thank you for a request for a quotation. This letter is a quotation and contract for 100 barrels of non-leaking capacitors.

Total cost for all transportation, handling and disposal is \$43,556. An additional surcharge of \$70/barrel will be assessed for the processing of any drum found to contain leakers. This quote is valid for 60 days.

Our work will be performed in compliance with federal and local regulations. Transportation and disposal will be in accordance with DOT and EPA regulations. We will take title and responsibility for materials once loaded on our vehicle and provide you with complete accountability.

If the above meets with your approval, please sign and date below and return to us or send us a purchase order.

Respectfully,

Scott Hansen
